Any construction project where the cost of the undertaking is \$30,000 or more is required to be done by a licensed general contractor. The work to be done on the property described above, which is greater than or equal to \$30,000, will not be done by a NC licensed general contractor. I wish to use the exception in Section 87-1 of Article 1 of the Act to Regulate the Practice of General Contracting, which permits the property owner to act as the general contractor without obtaining a license. Section 87-1 is printed in its entirety on the reverse side of this form.

I understand that this exemption can be used only if the building is to be occupied by myself and my family members, firm, or corporation for a minimum of 12 months after the Certificate of Occupancy has been issued by the Town of Waxhaw. I understand that placing the property for sale, or renting the property to non-family members would be a violation of the General Statute.

ARTICLE 1. GENERAL CONTRACTORS.

§ 87-1. "General contractors" defined; exceptions.

(a) For the purpose of this Article any person or firm or corporation who for a fixed price, commission, fee, or wage, undertakes to bid upon or to construct or who undertakes to superintend or manage, on his own behalf or for any person, firm, or corporation that is not licensed as a general contractor pursuant to this Article, the construction of any building, highway, public utilities, grading or any improvement or structure where the cost of the undertaking is thirty thousand dollars (\$30,000) or more, or undertakes to erect a North Carolina labeled manufactured modular building meeting the North Carolina State Building Code, shall be deemed to be a "general contractor" engaged in the business of general contracting in the State of North Carolina.

(b) This section shall not apply to the following:

- (1) Persons, firms, or corporations furnishing or erecting industrial equipment, power plan equipment, radial brick chimneys, and monuments.
- (2) Any person, firm, or corporation who constructs or alters a building on land owned by that person, firm, or corporation provided (i) the building is intended solely for occupancy by that person and his family, firm, or corporation after completion; and (ii) the person, firm, or corporation complies with G.S. 87-14. If the building is not occupied solely by the person and his family, firm, or corporation for at least 12 months following completion, it shall be presumed that

- the person, firm, or corporation did not intend the building solely for occupancy by that person and his family, firm, or corporation.
- (3) Any person engaged in the business of farming who constructs or alters a building on land owned by that person and used in the business of farming, when the building is intended for use by that person after completion. (1925, c. 318, s. 1; 1931, c. 62, s. 1; 1937, c. 429, s. 1; 1949, c. 936; 1953, c. 810; 1971, c. 246, s. 1; 1975, c. 279, s. 1; 1981, c. 783, s. 1; 1989, c. 109, s. 1; c. 653, s. 1; 1991 (Reg. Sess., 1992), c. 840, s. 1; 2011-376, s. 1.)

ARTICLE 14. GENERAL CONTRACTORS.

§ 87-14. Regulations as to issue of building permits.

(a) Any person, firm, or corporation, upon making application to the building inspector or such other authority of any incorporated city, town, or county in North Carolina charged with the duty of issuing building or other permits for the construction of any building, highway, sewer, grading, or any improvement or structure where the cost thereof is to be thirty thousand dollars (\$30,000) or more, shall, before being entitled to the issuance of a permit, satisfy the following:

- (1) Furnish satisfactory proof to the inspector or authority that the person seeking the permit or another person contracting to superintend or manage the construction is duly licensed under the terms of this Article to carry out or superintend the construction or is exempt from licensure under G.S. 87-1(b). If an applicant claims an exemption from licensure pursuant to G.S. 87-1(b)(2), the applicant for the building permit shall execute a verified affidavit attesting to the following:
- a. That the person is the owner of the property on which the building is being constructed or, in the case of a firm or corporation, is legally authorized to act on behalf of the firm or corporation.
 - b. That the person will personally superintend and manage all aspects of the construction of the building and that the duty will not be delegated to any other person not duly licensed under the terms of this Article.
 - c. That the person will be personally present for all inspections required by the North Carolina State Building Code, unless the plans for the building were drawn and sealed by an architect licensed pursuant to Chapter 83A of the General Statutes.

The building inspector or other authority shall transmit a copy of the affidavit to the Board, who shall verify that the applicant was validly entitled to claim the exemption under G.S. 87-1(b)(2). If the Board determines that the applicant was not entitled to claim the exemption under G.S. 87-1(b)(2), the building permit shall be revoked pursuant to G.S. 153A-362 or G.S. 160A-422.

- (2) **Furnish proof that the person has in effect Workers' Compensation insurance as required by Chapter 97 of the General Statutes.**
- (3) Any person, firm, or corporation, upon making application to the building inspector or such other authority of any incorporated city, town, or county in North Carolina charged with the duty of issuing building permits pursuant to G.S. 160A-417(a)(1) or G.S. 153A-357(a)(1) for any improvements for which the combined cost is to be thirty thousand dollars (\$30,000) or more, other than for improvements to an existing single-family residential dwelling unit as defined in G.S. 87-15.5(7) that the owner occupies as a residence, or for the addition of an accessory building or accessory structure as defined in the North Carolina Uniform

Residential Building Code, the use of which is incidental to that residential dwelling unit, shall be required to provide to the building inspector or other authority the name, physical and mailing address, telephone number, facsimile number, and electronic mail address of the lien agent designated by the owner pursuant to G.S. 44A-11.1(a).

(b) It shall be unlawful for the building inspector or other authority to issue or allow the issuance of a building permit pursuant to this section unless and until the applicant has furnished evidence that the applicant is either exempt from the provisions of this Article and, if applicable, fully complied with the provisions of subdivision (a)(1) of this section, or is duly licensed under this Article to carry out or superintend the work for which permit has been applied; and further, that the applicant has in effect Workers' Compensation insurance as required by Chapter 97 of the General Statutes. Any building inspector or other authority who is subject to and violates the terms of this section shall be guilty of a Class 3 misdemeanor and subject only to a fine of not more than fifty dollars (\$50.00). (1925, c. 318, s. 13; 1931, c. 62, s. 4; 1937, c. 429, s. 7; 1949, c. 934; 1953, c. 809; 1969, c. 1063, s. 6; 1971, c. 246, s. 4; 1981, c. 783, s. 2; 1989, c. 109, s. 2; 1991 (Reg.
